CANADA DEPARTMENT OF AGRICULTURE

HOW TO ORDER

Give the publication number if there is one; otherwise give the full title.

Leaflets and Brochures

Most publications of *four pages or less* are supplied free in reasonable quantities for field days, fairs, exhibitions, and meetings, as long as the supply lasts.

Other Free Publications

Individuals may obtain single copies on request. Do not ask for more than 10 different publications at one time. When more are requested a selection of 10 will be sent.

Elementary Schools, clubs, and other organizations wanting more than one copy (or more than 10 different publications) should write for prices. Publications ordered in quantity are sold at cost.

Secondary, agricultural and home economics schools may obtain up to 10 copies of 10 different publications for their reference shelves or libraries, i.e., not more than 100 pamphlets in any one year. If you need more, we will supply them at cost. Please order on your letterhead stationery.

Provincial departments of agriculture, university extension departments, and their extension workers may receive whatever quantities they require, free, for distribution of single copies on request. Please do not order more than six months supply.

Extension workers are invited to exhibit our publications at public gatherings. We will be happy to supply an appropriate selection and special pre-addressed postcards for people to fill out.
